MINISTRY ACTIVITY

At the beginning of 2022, Multiplication Network leadership announced that our ministry in Africa had expanded to such a degree that the Africa Ministry Hub would no longer be one hub with two regions but comprised of two complete hubs: West Africa and East Africa. In July, East Africa Hub Director Michael Sillah and the East Africa Leadership Team determined it would be best to divide the work into regions in order to facilitate the work and keep up with the growth in the more than 20 countries where they are providing training. We have seen lots of growth in several countries with really strong leadership and 3 new countries were reached this year and have started reporting.
